

HIGHER EDUCATION (PH.D.) CONCENTRATION IN RESEARCH AND EVALUATION

ELMP 9979	Disser Sem in Higher Ed	3
Subtotal		3
Total Hours		48

The Research and Evaluation concentration is intended to produce graduates with a range of competencies, including the ability to implement an academic or applied research program from start to finish; assess the effectiveness of educational policies, practices, and programs; and integrate research findings into practical initiatives designed to improve the performance of students and organizations.

Course Requirements

Students must complete a minimum of 48 credit hours, as listed below. Credits earned from other institutions or other programs at Seton Hall cannot be transferred and applied to the 48 credit requirement.
