For Candidates with a Standard Instructional Certificate

If you are a general education teacher, or a special education teacher co-teaching within an inclusive class, you are serving students with a variety of special needs, including students with autism. Both groups of students require different learning strategies and the M.A. will offer the candidate the necessary tools to meet their needs.

(Includes New Jersey Teacher of Students with Disabilities Endorsement and Applied Behavior Analysis (Association for Behavior Analysis Verified Course Sequence))

Course of Study - 45 credits
