There is no separate major or minor in the department for students interested in applying to law school. Students should satisfy the requirements described for the relevant program and take a variety of courses. It should be noted that there are several courses that may be useful to pre-law students which are listed below, though these are not required. It should also be noted that the major is more beneficial than the minor and should be taken if possible, since this gives one a stronger foundation for entrance to law school. Students interested in the program should consult with the chair of the department for advice in selecting courses.
