

# PSYCHOLOGY MAJOR DUAL DEGREE WITH A CONCENTRATION IN SPEECH- LANGUAGE PATHOLOGY B.S./ M.S.

\*This is a six year (4+2) dual degree program leading to a Master of Science in Speech-Language Pathology. The undergraduate program consists of the BA or BS degree in Psychology including 18 credits of speech-language pathology courses. Students in this program are offered automatic admission into the Master of Science in Speech-Language Pathology program if the following requirements are met. Note that students must complete all of their major requirements, general education requirements, speech-language pathology prerequisites, and any other undergraduate requirements in their four years as an undergraduate before entering the graduate professional phase of the program. The following criteria need to be met in order to maintain the guaranteed admission to the graduate portion of the 4+2 program:

1. Students must maintain a cumulative GPA of 3.2, as well as earn a grade of B or better in each GMSL course. GPA requirements are exact and will not be rounded to determine eligibility.
2. A student will be allowed a total of only one repeat of any of the six GMSL undergraduate courses if a grade of B is not obtained during the first attempt. A second grade of B- or below in any of the speech-language pathology preparatory courses results in a loss of automatic admission which cannot be regained. Note that:

Code	Title	Hours
GMSL 5001	Phonetics	3
GMSL 5003	Language Development	3
GMSL 5004	Audiology	3
GMSL 5005	Anat - Phys Speech Swall Mech	3
GMSL 5006	Hearing and Speech Science	3
GMSL 5007	Introduction to Communication Disorders	3

must be taken while students are matriculated as undergraduates. These courses are not offered every semester and an opportunity for a re-take is not guaranteed. A student in the dual-degree program who earns lower than a B in a GMSL course during their senior year may still be eligible for automatic admission to the program if they (1) obtain a letter of support from the Psychology department chairperson and (2) re-take the course at SHU as a non-matriculated student after completing their undergraduate requirements and earn at least a B.

3. The five Arts and Sciences courses required by the Council on Academic Accreditation in Audiology and Speech-Language Pathology and Council for Clinical Certification in Audiology and Speech-Language Pathology (English, statistics, biology, physical science, and social behavioral science) must be completed with a grade of "C" or higher.
4. The cumulative GPA cannot drop below 3.2 at any time.
5. If a student's cumulative GPA falls below 3.2, automatic admission to the graduate Speech-Language Pathology program is lost. Upon dismissal, the student's major code will be automatically switched from PSSA to PSYC (BA) or from PSSS to PSYS (BS). The student

cannot retake courses to increase their GPA and regain admission into the program. Any student losing automatic admission to the graduate Speech-Language Pathology program is welcome to apply as part of the general applicant pool. Note, however, that additional requirements may apply. Those applying as part of the general applicant pool are advised to check the Seton Hall University Speech-Language Pathology website for details.

6. Conferral of the BS/BA degree in Psychology

\* Note, this is not an undergraduate speech-language pathology program. No certificate in speech is awarded at the end of the undergraduate degree. All speech courses must be completed at Seton Hall University; transfer students with speech courses from other institutions must complete the six required courses at Seton Hall.

## Additional Requirements for Transferring into the 4+2 Program

- Internal and external transfer candidates interested in transferring into the 4+2 program must have a cumulative GPA of 3.2 or higher.
- Candidates seeking to transfer into the 4+2 program must not have completed more than 67 credits and need to apply for transfer before the Fall of Junior year.
- If transfer candidates have taken any of the five Arts and Sciences courses required by the Council on Academic Accreditation in Audiology and Speech-Language Pathology and Council for Clinical Certification in Audiology and Speech-Language Pathology (English, statistics, biology, physical science, and social behavioral science) prior to matriculation into the 4+2 program, a grade of "C" or higher is required.
- The six GMSL speech courses are required to be taken at Seton Hall University, and transfer courses cannot be accepted.
- Transition process from Undergraduate to Graduate portion of the program
  - Students will receive notification about the automatic admission to the graduate portion of the 4+2 program provided all criteria listed above are met and the undergraduate degree is conferred.
  - Students will submit a personal goal statement during the spring semester of their senior year in the undergraduate portion of the program
  - Students will submit a report during the spring semester of their senior year in the undergraduate portion of the program demonstrating the accrual of 25 observation hours and signed by an ASHA certified CCC-SLP

In addition to meeting the standards and requirements of the University Core and of the College of Arts and Sciences B.S. Core, B.S. degree candidates must complete a minimum of 44 credits in psychology of which 27 are required. MATH 1401 Calculus I is also required. The core sequence courses PSYC 1201 Orientation to the Psychology Major, PSYC 2311 Elementary Psychological Statistics, PSYC 3311 Research Methods, and PSYC 5111 Seminar in Psychology, may each be taken a maximum of two times. Students also must earn at least a C- in each of these courses as well as PSYC 1101 Introduction to Psychology and PSYC 1201 Orientation to the Psychology Major.

Link to College Core requirement (<http://catalogue.shu.edu/undergraduate/college-arts-sciences/core-curriculum/>).

Through the advising process, individual programs are tailored to the student's needs and objectives. The psychology B.S. major includes the following:

Code	Title	Hours
<b>Required Courses</b>		
PSYC 1101	Introduction to Psychology	3
PSYC 1201	Orientation to the Psychology Major	1
PSYC 2311	Elementary Psychological Statistics *	4
PSYC 3217	Biological Psychology	3
PSYC 3311	Research Methods	4
PSYC 5113	Advanced Seminar in Psychology **	3
<b>Social/Developmental Course</b>		
Select one of the following:		3
PSYC 1212	Child Psychology	
PSYC 1213	Adolescent Psychology	
PSYC 1214	Adult Development	
PSYC/WMST 1215	Psychology of Gender	
PSYC 2210	Health Psychology	
PSYC 2212	Developmental Psychology	
PSYC 2216	Social Psychology	
<b>Fieldwork/Applied Course</b>		
Select one of the following:		3
PSYC 1216	Industrial/Organizational Psychology	
PSYC 1219	Sport Psychology	
PSYC 1222	International Psychology	
PSYC 1223	Psychology of Religion	
PSYC 2222	Cultural Psychology	
PSYC 2315	Laboratory Research Experience	
PSYC 2318	Exp Learn Psyc	
PSYC 3408	Internship in Psychology	
PSYC 3409	Internship in Psychology	
PSYC 3410	Internship in Psychology	
PSYC 3411	Internship in Psychology	
PSYC 3412	Internship in Psychology	
PSYC 3413	Internship in Psychology	
PSYC 3711	ST - Undergrad Teach Asst	
<b>Clinical/Professional Course</b>		
Select one of the following:		3
PSYC 1218	Drug and Alcohol Abuse	
PSYC 1221	Exceptional Child Psychology	
PSYC 2211	Personality Concepts	
PSYC 2214	Mental Health	
PSYC 2215	Psychological Testing	
PSYC 2220	Behavior Modification	
PSYC 3112	Theories and Techniques of Clinical Work	
<b>Learning and Cognition Course</b>		
Select one of the following:		3
PSYC 3114	Cognition and Data Visualizati	
PSYC 3214	Cognitive Psychology	
PSYC 3216	Motivation and Emotion	
PSYC 3220	Learning	

### Experiential Learning Requirement

Select one of the following: \*\*\*

PSYC 2315	Laboratory Research Experience
PSYC 2318	Exp Learn Psyc
PSYC 3408	Internship in Psychology
PSYC 3409	Internship in Psychology
PSYC 3410	Internship in Psychology
PSYC 3411	Internship in Psychology
PSYC 3412	Internship in Psychology
PSYC 3413	Internship in Psychology
PSYC 3711	ST - Undergrad Teach Asst

### Laboratory Requirement

Select two of the following: \*\*\*\*

PSYC 3224	Cognitive Psychology Lab	2
PSYC 3225	Learning Laboratory	
PSYC 3226	Behavioral Modification Lab	
PSYC 3227	Biological Psychology Lab	
PSYC 3228	Social Psychology Laboratory	
PSYC 3229	Personality Laboratory	

### Psychology Electives

Select 12 additional PSYC credits \*\*\*\*\* 12

**Total Hours 44**

\* Students may elect to substitute MATH 2111 Statistics for Science Majors, which also fulfills the BS Core for Math.

\*\* Cross-listed with PSYC 5111 Seminar in Psychology.

\*\*\* All students are required to take one experiential course as part of their B.S. degree requirements. This class does not constitute additional credits.

\*\*\*\* Students are required to take two Psychology laboratory credits with the co-requisite of the related 3-credit course as part of their B.S. degree requirement.

\*\*\*\*\* With at least 6 credits at the 2000-level or higher. No more than 6 PSYC elective credits can come from experiential learning courses (Internship, Laboratory Research Experience, or Independent Study).

**Total: 43 PSYC credits**

## GMSL: Health and Medical Sciences

Undergraduate courses open to all. All students (including transfer students) enrolled in the 4+2 PSYC - M.S. in Speech- Language Pathology program are required to take the following six online and/or hybrid courses at Seton Hall University.

Code	Title	Hours
GMSL 5001	Phonetics *	3
GMSL 5003	Language Development	3
GMSL 5004	Audiology *	3
GMSL 5005	Anat - Phys Speech Swall Mech	3
GMSL 5006	Hearing and Speech Science	3
GMSL 5007	Introduction to Communication Disorders	3
<b>Total Hours</b>		<b>18</b>

\* These courses are only offered in the Summer (May through the middle of July).

Students in the 4+2 program must also take a statistics course, a physical science course (physics or chemistry), a biological science course, and a social/ behavioral sciences course, and earn at least a C grade in these courses.

Course	Title	Hours
<b>First Year</b>		
<b>First Semester</b>		
PSYC 1101	Introduction to Psychology	3
ENGL 1201	Core English I	3
MATH 1401	Calculus I	4
CORE 1101	Journey of Transformation	3
CORE 1001	University Life	1
1 Philosophy course to complete A&S Philosophy and Religion requirement		3
<b>Hours</b>		<b>17</b>
<b>Second Semester</b>		
PSYC 1201	Orientation to the Psychology Major	1
ENGL 1202	Core English II	3
CHEM 1001 or PHYS 1001	Chemistry and the World Around Us - An Integrative Approach or Intro to Physical Science	3
1 social science class meeting A&S Social Science requirement		3
1 Religion course to complete A&S Philosophy and Religion requirement		3
1 1000- or 2000-level course from Social/Development category in PSYC		3
<b>Hours</b>		<b>16</b>
<b>Second Year</b>		
<b>First Semester</b>		
MATH/CS, BIOL, CHEM, or PHYS course for BS core		3-4
MATH 2111 or PSYC 2311	Statistics for Science Majors or Elementary Psychological Statistics	4
1 1000- or 2000-level course from Clinical/Personality category in PSYC		3
1001 Elementary I Language course (e.g., Arabic, Italian, Spanish, etc.)		3
1 course meeting A&S History/Aesthetics/Lit requirement		3
<b>Hours</b>		<b>16-17</b>
<b>Second Semester</b>		
MATH/CS, BIOL, CHEM, or PHYS course for BS core		3-4
CORE 2101	Christianity and Cult in Dial.	3
1 PSYC elective		3
1002 Elementary II Language course (e.g., Arabic, Italian, Spanish, etc.)		3
COST 1600	Oral Communication	3
<b>Hours</b>		<b>15-16</b>
<b>Third Year</b>		
<b>First Semester</b>		
PSYC 3311	Research Methods	4
PSYC 3408	Internship in Psychology	3
1 learning and cognition category course in PSYC		3
GMSL 5007	Introduction to Communication Disorders (counts as general elective)	3
1 course meeting A&S History/Aesthetics/Lit requirement		3
<b>Hours</b>		<b>16</b>
<b>Second Semester</b>		
CORE 3XXX: Engaging the World		3
1 PSYC elective		3
PSYC 3217	Biological Psychology	3
1 laboratory course in Psychology		1
1 course meeting A&S Diversity requirement		3

GMSL 5006	Hearing and Speech Science (counts as general elective)	3
<b>Hours</b>		<b>16</b>
<b>Summer</b>		
GMSL 5001	Phonetics	3
GMSL 5004	Audiology	3
<b>Hours</b>		<b>6</b>
<b>Fourth Year</b>		
<b>First Semester</b>		
PSYC 5113	Advanced Seminar in Psychology	3
1 PSYC elective at 2000-level or higher		3
1 laboratory course in Psychology		1
1 PSYC elective		3
GMSL 5005	Anat - Phys Speech Swall Mech (counts as general elective)	3
College core (if needed)		3
<b>Hours</b>		<b>16</b>
<b>Second Semester</b>		
GMSL 5003	Language Development	3
1 PSYC elective at 2000-level or higher		3
1 General elective		3
1 PSYC elective		3
<b>Hours</b>		<b>12</b>
<b>Total Hours</b>		<b>130-132</b>

Note that these are courses taken during your 4 undergraduate years only – consult with your SLP advisor and the university catalog for graduate requirements.
