

MUSEUM PROFESSIONALS MAJOR DUAL DEGREE B.A./ M.A.

The College of Human Development, Culture, and Media offers two accelerated dual B.A./M.A. degree programs:

- B.A./M.A. in Communication
- B.A./M.A. in Museum Professions
- M.A./M.A. Communication/Diplomacy and International Relations

Each student's program is unique and crafted in consultation with both an undergraduate and graduate academic adviser. Timeline varies based on academic progress and completed coursework.

Qualified students are considered for admission to the B.A./M.A. dual degree program either:

1. as an incoming freshman or
2. following application after the completion of at least 45 undergraduate credits.

Students may apply for admission to the dual degree program with additional credits, but no later than the end of junior year (i.e. 90 credits).

For all students, eligibility for admission will be confirmed upon completion of at least 45 undergraduate credits (with a minimum GPA of 3.0 or higher) and submission and review at the graduate-level of the following materials:

- Online graduate application;
- Resume or CV;
- Personal statement;
- Transcript from any postsecondary institution attended (other than Seton Hall);
- Two (2) letters of recommendation; and
- GRE or Miller Analogies Test (MAT) scores*

* The GRE or Miller Analogies Test (MAT) should be taken during the student's senior year. Submission of test scores is considered a degree requirement. An applicant may request a waiver of the standardized test requirement if their GPA is a 3.4 or higher at the time of graduate application review. Waiver requests should be emailed to Ms. Brittany Scoles at brittany.scoles@shu.edu.

Admission is based on earning a 3.0 minimum GPA and all submitted application items. Students from all undergraduate degree programs are welcome to apply, assuming they have completed four undergraduate courses in art history before completing their baccalaureate degree.

Dual B.A./M.A. Museum Professions

The combined B.A./M.A. in Museum Professions allows Seton Hall University undergraduate students to take 12 graduate credits during their junior and senior years. These 12 credits count toward both the B.A. and the M.A. degree. Following the completion of the baccalaureate degree, students complete the remaining 27 credits of the M.A. degree.
