

LEADERSHIP DEVELOPMENT PROGRAM

Leadership Development is the undergraduate honors program for the Stillman School of Business. Students in the Leadership Program must be admitted to the Stillman School. In addition to the academic requirements, students must complete 80 hours of community service, participate in the group mentoring program, hold leadership positions both on and off campus to complement their studies, attend leadership functions, and maintain an overall GPA of 3.4.

In addition to the Stillman School and liberal arts cores and the courses needed for a major, students must take the courses listed below. Some of the courses are either completely or largely restricted to leadership students; these are designated with an "LS" suffix. Students may enter both the Leadership Development program and the University's Honors program. Students enrolled in both Leadership and the University Honors Program are not required to take COST 1600 Oral Communication, and RELS 1102 Intro to Bible/RELS 1502 Contemporary Moral Issues/RELS 1503 Christian Ethics.

Business Required Core
