Student Code of Conduct

Seton Hall seeks to create a community where rights and mutual responsibilities are both recognized and valued, where truth and Christian ideals are sought and lived. The University seeks to foster an environment of mutual respect and dignity for each member of its community of scholars and learners, and it expects each person to take seriously his or her role in establishing such an environment.

For details about the University's community standards and process, please consult the Student Code of Conduct available on the website:
